<hr>: The Thematic Break (Horizontal Rule) element

The `<hr>` HTML element represents a thematic break between paragraph-level elements: for example, a change of scene in a story, or a shift of topic within a section.

Try it

HTML Demo: <hr>   RESET

HTML   **CSS**

```
1  <p>§1: The first rule of
   Fight Club is: You do
   not talk about Fight
   Club.</p>
2
3  <hr>
4
5  <p>§2: The second rule
   of Fight Club is: Always
   bring cupcakes.</p>
6
```

OUTPUT

§1: The first rule of Fight Club is: You do not talk about Fight Club.

═══════════ § ═══════════

Historically, this has been presented as a horizontal rule or line. While it may still be displayed as a horizontal rule in visual browsers, this element is now defined in semantic terms, rather than presentational terms, so if you wish to draw a horizontal line, you should do so using appropriate CSS.

Attributes

This element's attributes include the global attributes.

`align` Deprecated Non-standard

Sets the alignment of the rule on the page. If no value is specified, the default value is `left`.

`color` Deprecated Non-standard

Sets the color of the rule through color name or hexadecimal value.

`noshade` Deprecated Non-standard

Sets the rule to have no shading.

`size` <u>Deprecated</u> <u>Non-standard</u>

   Sets the height, in pixels, of the rule.

`width` <u>Deprecated</u> <u>Non-standard</u>

   Sets the length of the rule on the page through a pixel or percentage value.
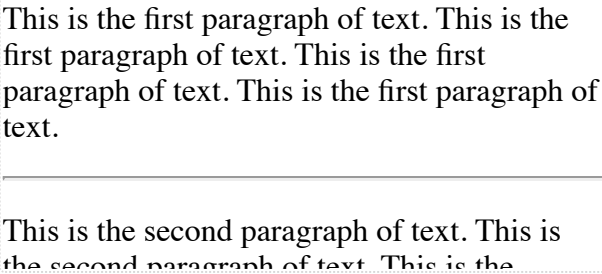

Example

HTML

```html
<p>
  This is the first paragraph of text. This is the first paragraph of text. This
  is the first paragraph of text. This is the first paragraph of text.
</p>

<hr />

<p>
  This is the second paragraph of text. This is the second paragraph of text.
  This is the second paragraph of text. This is the second paragraph of text.
</p>
```

Result

This is the first paragraph of text. This is the first paragraph of text. This is the first paragraph of text. This is the first paragraph of text.

This is the second paragraph of text. This is the second paragraph of text. This is the

Technical Summary
